

## Clutch pneumatic concentric actuator

### Criteria:

Identification

Completeness

Mechanical damage

Corrosion

# Clutch pneumatic concentric actuator

## Criteria:

### Identification

Brand must be legible on the part (see exemplary picture).

Acceptable

## Clutch pneumatic concentric actuator

### Criteria:

#### Completeness

Part must be complete and not disassembled

## Clutch pneumatic concentric actuator

### Criteria:

#### Mechanical damage

Part should not be mechanically damaged or broken

## Clutch pneumatic concentric actuator

### Criteria:

#### Corrosion

Heavy or extensive corrosion is not acceptable
