

## Large Engine Common Rail Injector (CRIN LE)

### Criteria:

Identification

Completeness

Mechanical damage

Corrosion

## Large Engine Common Rail Injector (CRIN LE)

### Criteria:

#### Identification

Part number must be legible

Acceptable

## Large Engine Common Rail Injector (CRIN LE)

### Criteria:

#### Completeness

Aggregate disassembled is not acceptable  
Complete assembled parts are acceptable

Not acceptable

Acceptable

## Large Engine Common Rail Injector (CRIN LE)

### Criteria:

#### Mechanical damage

Small damages are acceptable  
Heavy damages are not acceptable

Acceptable

Not acceptable

## Large Engine Common Rail Injector (CRIN LE)

### Criteria:

#### Corrosion

Heavy corrosion as pitting is not acceptable;  
Slight corrosion is acceptable

Not acceptable

Acceptable
